

Dear Potential Board Member,

Thank you for your interest in the Museum of North Idaho Board of Trustee position.

Meeting schedule:

Regular quarterly Board meetings are the second Tuesday of January, April, July and October. The third Tuesday of April is the annual meeting/banquet and program, which is open to the public. The fourth Tuesday of April is the election of officers and orientation. Special and committee meetings are called as needed.

Board Philosophy

The Museum Board believes they exist to provide leadership, long-term vision and stability for the Museum. Board Members are the link between the Museum and the community the Museum serves. This connection provides needed insight and information for the decisions the Board makes about what it can and will do to serve the community. Trustees lead by setting policy rather than by making decisions about particular issues. As the Museum works towards a new facility and expanded programming the Board's role in connecting with community leaders and potential donors is essential.

Next Step

If you decide you would like to serve on the Board, we will need a resume or letter discussing your strengths and an interview will be set up with the committee. If, after the interview, you and the committee agree that you should be nominated, then a short write up about your qualifications is needed for the ballot. Trustees are elected by the Museum membership and ballots go out in the mail the first part of April and received back by the third Tuesday in April. You must be a current member of the Museum to serve on the Board.

If you have any questions please call Dorothy Dahlgren, the Director of the Museum, at 664-3448 or email: dd@museumni.org.
